
Referrals to REU

Please can I remind you that we do have our Acute Referral Service, weekdays Monday-Friday 8:30 to 16:00. This is not a walk-in service but strictly by acceptance following self-referral by telephone or a referral by colleagues.

Referral from colleagues: For our colleagues we ask you to call a dedicated number **07458 092 331**. This number is only for professional colleagues both in the hospital & primary care and we ask that it is not shared with patients.

Self-referral: Patients can contact us **on 020 8934 6799**, whereby they will be offered the appropriate advice and/or appointment.

Referrals to Moorfields St.George's

Patients seen out of hours or weekend, which is thought cannot await the next available review in the REU, can be referred to Moorfields St. George's. Please note this is not a walk-in service and patients must not be sent across without being accepted. I have attached the Moorfields guidelines for referral which provides a continuously manned e-mail address for daytime and a number to call for advice. You will be advised if the patient needs to be seen urgently or can await the next available review by us.

I hope this is helpful.

Kind regards

Hooman
