### **DATA PROTECTION**

When emailing any Patient Identifiable information you must always send via secure email. If you cannot do this then contact the safeguard office and arrange to fax the information to a safe haven fax.

### **Where to raise Safeguard Alerts?**

Safeguard alerts are raised with the Borough in which the alleged abuse geographically occurred

### **Where to make DOL's applications?**

DOLs Applications are made to the Borough where the person is ordinary resident.

The exception to this is where the person is placed / funded but another authority e.g. lives in Kingston but funded by Surrey. In such cases the application should be made to Surrey.
